THE LINCOLN COLLECTION

For a long period of years, Mr. Louis L. Lincoln enjoyed collecting the finest coins available in assembling this great collection. These coins are for particular people who are proud of their exhibits, and this offering affords a rare opportunity to get the rare mint-marks and choice scarce dates of half-dollars. The early silver dollars are from the cabinets of a prominent eastern business man, and one of the largest collectors of this series. The handling of this sale constitutes unfinished business after I moved to California from Freeport, Illinois last May. The famous Lincoln collections of U.S. large cents, half-cents, dollars, and quarters, were all sold by me in past sales. Mrs. Bolender and I have sold our Freeport home, and purchased a new home in California. While semi-retired, I will continue to handle rare and unusual numismatic items, and choice coins and paper money.

TERMS OF SALE

1. Every item is guaranteed to be genuine, and to give satisfaction, as in all past Bolender sales.

2. All bids are by mail, in fairness to all those who could not attend personally.

3. There are no reserves on any item by anyone, and every coin will be sold to the highest bidder. All bids will be executed below your bids where other offers permit, in good faith. Where two or more bids are exactly the same on any lot, or tied, the lot goes to the first bidder at exactly his bid.

4. No unlimited bids will be accepted. Mark your highest limit on the bid sheet, (on back page of catalogue) and we will buy as much under this bid as other actual offers permit.

5. New bidders or customers sending bids for the first time at these sales must positively give first class references, or else send a deposit of at least 25% of the total amount of bids. References acceptable would be the name of some other dealer from whom you have had coins on open account, or name of some collector known to us, or else name of your bank. To those known to me who have established credit, purchases will be sent out promptly after the sale. In appreciation of this courtesy, the purchaser will remit promptly. Postage and registration or insurance is paid by the purchaser.

6. The terms are prompt cash settlement after sale, and no time given. Collectors who are not certain that they can pay promptly are asked not to bid. The coins in the sale are the property of my clients, and I must make prompt settlement for them.

7. A list of all prices realized at this sale will be supplied for 50 cents.

8. Please send your bids now as there is little time left before the sale date.

THE LOUIS L. LINCOLN COLLECTION OF UNITED STATES SILVER HALF-DOLLARS

1. **1794 U.S. Half-dollar.** First year of coinage. Wide date. Beistle No. 1a-Ab. Very rare. Strictly fine in every detail. Well-centered even impressions. Catalogues at \$50.
2. **1794 half-dollar.** Haseltine No. 1. Very good, some file marks on obverse. Reverse is rather fine. Equal to the specimen in the A.N.A. Convention sale last August, that sold at \$51.
3. **1795** Flowing hair type of only first two years. Star does not touch curl. Rx. 17 berries. Beistle 2a-Fa. Haseltine 10. Very fine. Rare. \$35.
4. **1795** variety with first star piercing curl. Rx. 18 berries. Beistle 9-N, H-9. Very good. Brought \$20 in A.N.A. sale in same condition.
5. **1797 half-dollar.** Beistle 1-a-Aa. Good; has been holed and plugged after date. It is a neat job, and this does not damage any of the lettering nor date. The date is strong and bold. Extremely rare. \$100.
6. **1797 half-dollar.** Another, same variety as last, showing die cracks both obverse and reverse. A dent above head at lower part of BE, and a little battered at lower part of reverse so fraction does not show. About good, with a fine date, and very rare. \$90.
7. **1801** about fine. Beistle 1-B, H-2. Rarest variety with 12 arrows. Same condition as the piece in A.N.A. Convention sale in August, which sold for \$30.
8. **1802 half-dollar.** Extremely fine, mint lustre. This coin is from the famous Earle sale by Henry Chapman June 1912, sale lot No. 2831. Mr. Lincoln purchased it from Wayte Raymond in 1947. Mr. Chapman described it as I have described it above, and added "stars back of head do not show center lines; except for a very slight abrasion it would be uncirculated". It is without doubt the best specimen of this rare date that I have ever handled in my 46 years as a collector and dealer, during which time I have sold about 200 pieces. Its value to-day is \$200.

9. 1802 half-dollar. Good, strictly so, with all of legend clear, and a strong date. Cat. \$12.50.
